Price Revision of DENKA BLACK and DENKA BLACK Li

Please be informed that Denka Company Limited will revise its global sales price of DENKA BLACK and DENKA BLACK Li. Details are as follows.

1. Product : DENKA BLACK, DENKA BLACK Li
2. Effective Date : Applicable to deliveries from January 2019 onwards
3. Price increment : 20% of current price

DENKA BLACK and DENKA BLACK Li are used in many different applications where high purity and superior electrical conductivity are of utmost importance. Domestic and global demands have increased significantly recently; and this upward trend is anticipated to continue.

While we have been making the utmost efforts to reduce the impact of increasing production and logistics costs, in order to maintain our business sustainability as well as reliable supply quantities to our customers, we have decided to enact the aforementioned price increase.

As a leading producer of acetylene black, Denka will continue to improve our productivity and augment our capacity; striving to ensure a continued, stable supply of DENK BLACK and DENKA BLACK Li.
