

# Denka | Registered Patent List (Carbon Nanotube)

## 【Material patent】

## 【Manufacturing method】

### Carbon nanotube

JP6604854 B	Manufacturing method of CNT
CN105980301 B	Manufacturing method of CNT
EP3103767 B	Manufacturing method of CNT
KR102291933 B	Manufacturing method of CNT
US9738993 B	Manufacturing method of CNT

### Carbon nanotube + Carbon black composite

JP6600182 B	Manufacturing method of CB+CNT composite
JP6600180 B	Manufacturing method of CB+CNT composite
JP6810042 B	Manufacturing method of CB+CNT composite
CN108136375 B	Manufacturing method of CB+CNT composite

## 【Application】

JP6663851 B	Cathode coating liquid containing easily dispersibility CNT
CN107148692 B	Cathode coating liquid containing easily dispersibility CNT
US10714746 B	Cathode coating liquid containing easily dispersibility CNT
JP7034077 B	Cathode coating liquid containing easily dispersibility CNT
US11264616 B	Cathode coating liquid containing easily dispersibility CNT
EP3512012 B	Cathode coating liquid containing easily dispersibility CNT
KR102387963 B	Cathode coating liquid containing easily dispersibility CNT
