

Corporate Value Creation Logic of Management Plan "Mission 2030"

The corporate value creation drivers under "Mission 2030" each fulfill one of the three elements of corporate value creation, support the various activities of "Mission 2030," and aim to create and enhance corporate value over the medium- to long-term.

Denka's Corporate Value

$$\text{Denka's Corporate Value} = \frac{\text{Cash Generation through Business Operations}}{\text{Minimization of Capital Costs} - \text{Future Growth Rate}}$$
