

Price Revision of Polyvinyl Alcohol (Denka Poval)

Denka Company Limited announces to increase the sales price of polyvinyl alcohol (brand name: Denka Poval), which is effective from March 1, 2021.

The price increase is USD 300 / EUR 250 per metric ton. This price adjustment is inevitable for Denka to maintain its stable supply of polyvinyl alcohol products.

We deeply appreciate the continuous support of our valued customers and understanding on this price revision.

About Denka

Denka is a chemical manufacturer headquartered in Chuo-ku, Tokyo. The company specializes in developing business activities on a global scale across a wide range of fields, from inorganic and organic chemicals, to electronic materials and pharmaceuticals. Founded in 1915, Denka has steadily continued to develop and manufacture products that contribute to the development of society by fully utilizing its unique concepts and technological capabilities. Upholding its corporate slogan, "Possibility of chemistry," the company and its president, Manabu Yamamoto, are committed to contributing to the sound development of the society while sincerely tackling the challenges that the society is now confronting.
